For ewes with 2 lambs in an open house the maximum figure will be approximately 2/3 of the maximum number of pregnant sheep in an open house.

We have allowed a 7ft wide central access passage for sheep with 2 lambs in pens.

The above figures for the number of sheep and lambs per sq ft are for guide only. There are many considerations to take into account – size and breed of sheep, age of ewe and lambs, trough space, etc.

For detailed information about the space allowances required for housed sheep according to age, size, and class of livestock, please view DEFRA's Code of Recommendations for the Welfare of Livestock (Sheep) - see the table on page 21. https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/69365/pb5162-sheep-041028.pdf
